

**Department of Teaching and Learning
Professional Training Option (PTO) Education Minor
Spring 2022**

Undergraduate students must apply for the PTO: Education Minor program in the College of Arts, Sciences & Education Advising Center. Students who complete the entire program will have their transcripts endorsed as having successfully completed the Professional Training Option (PTO), pursuant to F.A.C 6A-4.006 General and Professional Preparation (Amended. 6/23/16).

The minor in Education is open to all undergraduate students except those majoring in any Education degree program.

All courses must be taken and passed with a minimum grade of "C".

Does not lead to teacher certification.
