

Department of Mathematics & Statistics
Minor in Mathematics

Our Minor in Mathematics enables students to develop a degree of expertise and knowledge in an area of study in addition to their major academic program of study.

The minor in mathematical sciences requires seven courses.

Complete all of the following courses:

Course Prefix	Course Title	Credits Hours
MAC 2311	Calculus I <i>Prerequisite: MAC 1147 or MAC 1114 and MAC 1140 with a grade of "C" or better or appropriate test score</i>	4
MAC 2312	Calculus II <i>Prerequisites: Grade of "C" or higher in MAC 2311 or AP Calculus credit.</i>	4
MAC 2313	Calculus III <i>Prerequisites: MAC 2312 or equivalent with a grade of 'C' or better.</i>	4

Complete four math courses from those approved for the upper-division program of the [BS in Mathematical Sciences](#). MAP 2302 and MAS 3105 may be included among these four courses. A grade of "C" or higher is necessary for all courses in the minor.

Courses completed elsewhere may be applied to the mathematics minor, with the approval of the department. However, at least 2 of the 4 courses noted above, excluding MAC 2311-2-3, must be completed at FIU.

For approval of courses email: Dr. John Zweibel zweibelj@fiu.edu

For more information, consult the [Undergraduate Catalog](#).
