## MATH PLACEMENT <br> MPS SCORES EFFECTIVE for Spring 2023

| Math, Statistics, Sciences, Engineering \& Computing |  |
| :---: | :---: |
| MPS Score | Math Course |
| <39 | College Algebra (MAC 1105) |
| 39-44 | Pre-calculus Algebra \& Trigonometry <br> (MAC 1147) |
| $\begin{gathered} \text { Minimum } \\ 45 \\ \hline \end{gathered}$ | Calculus I (MAC 2311) |
| Dietetics and Nutrition -Nutritional Sciences Track \& Construction Management |  |
| MPS Score | Math Course |
| <39 | College Algebra (MAC 1105) |
| $\begin{gathered} \text { Minimum } \\ 39 \\ \hline \end{gathered}$ | Pre-calculus Algebra \& Trigonometry <br> (MAC 1147) |
| Business \& Economics |  |
| MPS Score | Math Course |
| <35 | College Algebra (MAC 1105) |
| $\begin{gathered} \hline \text { Minimum } \\ 35 \\ \hline \end{gathered}$ | Business Calculus (MAC 2233) |
| Architecture |  |
| MPS Score | Math Course |
| <30 | College Algebra (MAC 1105) |
| $\begin{gathered} \hline \text { Minimum } \\ 30 \\ \hline \end{gathered}$ | Trigonometry (MAC 1114) |
| Nursing, H.S.A., and Dietetics \& Nutrition Didactic Track |  |
| MPS Score | Math Course |
| No Minimum | College Algebra (MAC 1105) |

MPS scores are used for math placement for incoming freshmen. The score is generated from High School GPA and SAT/ACT Math Scores. Students in majors that require higher level math (beyond MAC 1105) who do not have MPS scores or college credit for MAC 1105 or higher may either begin in MAC 1105 or take the ALEKS math placement exam.

Students must have MPS of 30 or higher to place into CHM 1045.
